Summary

AI & Data Science enthusiast with a strong interest in **research, problem-solving, and system-level thinking**. I enjoy working with data, building ML pipelines, and turning raw information into meaningful insights. Actively **learning DSA** to strengthen algorithmic thinking alongside applied machine learning. Experienced in Python, SQL, and data analysis, with hands-on exposure to real-world datasets and exploratory research workflows. Driven by curiosity, continuous learning, and the goal of contributing to **impactful AI research and data-centric solutions**.

Experience

Assistant Research Lead — Indian Institute of Information Technology Bhopal
AXIOS Development Club — *November 2025 - Present*

Education

Galgotias University — Greater Noida, Uttar Pradesh, India
Bachelor of Computer Application; CGPA: 9.78 — *August 2022 - July 2025*

Indian Institute of Information Technology Bhopal — Bhopal, Madhya Pradesh, India
Master of Computer Applications (MCA); CGPA: 9.82 — *Expected Graduation: August 2028*
Responsibility: Class Representative

Projects

Supermarket Sales Analysis - Link — *January 2025 - April 2025*
- Developed a project utilizing various machine learning models to analyze sales data and predict future sales.
- Contributed to Kaggle.
- **Skills:** Machine Learning, Python

Quiz App with Admin Panel - Link — *September 2024 - December 2024*
- Engineered a full-stack web application with an integrated Admin Panel.
- Used HTML, CSS, JavaScript for the front end, and a MySQL database via XAMPP for the back end.
- Hosted the application on Netlify.

Achievements & Certifications

- **Android App Using Kotlin:** Spoken Tutorial (Issued Jun 2025)
- **AI Masterclass by Professor Of How:** BRAINRIG LLP (Issued Jan 2025)
- **Android Developer Virtual Internship:** EduSkills Foundation (Issued Dec 2024)
- **Awarded for NIMCET Performance:** Awarded by Impetus Gurukul for achieving an All India Rank (AIR) of 979 in the NIMCET 2025.

Volunteering

Graphic Designer - *Indian Institute of Information Technology Bhopal*
Designed creative posters and graphics that were widely appreciated and used for community celebrations.

Technical Skills

Programming & Development: Python, C, C++, HTML, CSS, JavaScript
Database: MySQL, SQLite
Other Technical Areas: Data Structures & Algorithms, Operating Systems basics, Computer Networks fundamentals
